Print and Hang

The versatile ValueJet 1204PLUS – 48" Eco-solvent printer prints on standard banner, vinyl, canvas and inkjet media plus is the only printer on the market capable of printing on Mutoh's patented Ready2Print pre-grommited / pre welded banner material. Now you can print banners with the grommets and hems, or only the hems, already in place for immediate delivery to your customer. With fast print speeds, and simple operation, the 1204PLUS will have you printing quality output faster than anyone else. Save time, money, space and labor with this exciting new printer technology only from Mutoh.
