

The ValueJet 1638X

Smart Printing Equals Value

Mutoh's ValueJet 1638X high speed, eco-solvent printer has a staggered dual-head design that blows the competition away! With print speeds over 1,000 sf/hr no one comes close to its production capability. And with Mutoh's Smart Printing technology like; Intelligent Interweave (i2) print technique that virtually eliminates banding, ColorVerify for process control, ValueJet Status Monitor (VSM) an app for remote printer monitoring and an optional on-printer SpectroVue VM-10 spectrophotometer for easy profile making, the 1638X is the smart choice for today's serious print professional.
