

# The ValueJet 1324

Smart Printing Equals Value

Maximize Space / Increase Performance

The 54" ValueJet 1324 utilizes a state-of-the-art four color print head and Mutoh's patented i<sup>2</sup> Intelligent Interweave print technology, that allows for increased print speeds and virtually eliminates banding. The 1324 prints up to 565 sqft/hour, giving you a significant boost in capability and it can be equipped with the SpectroVue VM-10 spectrophotometer for easy profile making. Monitor your printer's performance through your smart phone for increased productivity with the new ValueJet Status Monitor (VSM) app.
